PASTOR'S REPORT

"The grace of the Lord Jesus be with all the saints. Amen" Rev. 22:21

Dear Members of Emmaus:

The last words of the Bible are a benediction. They are a message of consolation from our Lord to the believers of His Church. God knows how urgent His grace through Christ is to the prospering of His Church and our faithfulness in life. Saints are believers in Jesus Christ, and we believe and teach that all they have and can accomplish is done by the grace of God, through the power of the Holy Spirit. Thus, while we bask under His benediction in thanksgiving for the past, let us in prayer under God's promise press forward to approach the challenges of the future.

As we reflect on the past year we cannot help but rejoice. At the beginning of 1963 some questioned our potential to meet the objective of budget, benevolence, etc. Marvelous blessings have been experienced. Generous gifts and memorials have helped to provide many improvements beyond those contemplated. We all rejoice to see the interior and exterior of our attractive church building enriched in its appeal of beauty. The wonderful lawn nurtured by an automatic sprinkling system has brought forth many favorable comments. The refinishing of most of the wood trim, the painting and washing of the walls wherever needed throughout the building, together with the new stove and ceiling in the kitchen has been a very helpful project in keeping our church looking like new. More recently the outdoor flood lighting system has brought out a new dimension of enchantment which our church's exterior possesses.

We are also mindful of the many other projects accomplished which inspire our gratitude to God and all members and friends who have shown their love for Emmaus Church. We rejoice in all the prayers and dedicated loyalty expressed through gifts and regular contributions making possible our exceeding our goal for benevolence through the American Lutheran Church.

We are indeed grateful for the faithful and effective cooperation and service rendered in the soul winning concern of the church. Every ministry offered is important in the Kingdom of Christ. We have been assisted greatly by the host of volunteer workers, such as: leaders in church council, auxiliaries, committees, organist, music directors, Sunday School teachers, and workers in every phase of our church's mission. Not least sincerely are we grateful for the ever dependable help afforded by Mrs. Harold Wiegand, our part-time Church office secretary, our part-time custodians, Mr. & Mrs. Norbert Trottier, and Mr. Bill Hanson, seminarian, who assisted this summer as student intern.

Among the activities deserving our attention is the work accomplished for our children in both the Children's and Confirmation Classes Choirs, as well as the Junior Lutheran program. A good beginning has been made in serving this long felt need and we look forward to the continuing of this worthwhile effort. Our Men of Emmaus continues to need faithful support and interest in participation. An informal Adult Fellowship group has periodically sponsored activities of increasing interest. Our Luther League has developed a steady pace of regular meetings each week, with few exceptions. Although our league has been among the best represented in attending rallies with other Luther Leagues, we feel that many of our youth from who we should expect leadership shy away from participation. We hope that the future may witness a more inclusive participation. The work of the women of the church is well out-lined. The improvement of their function could be realized by more women of the church actively participating. Let us all remember that organizational endeavors in our congregation are intended to be a part of the promotion of deeper interest in the kingdom of God.

A review of the statistics offers us the right to be thankful for steady increase continuing in almost every area of work. However, this should give us no reason to believe we have accomplished to complete satisfaction the challenge we possess. Of greater encouragement that the story of figures is the growth of faithfulness and understanding. The pulse beat of appreciation for the need of pastoral help to do a better work is growing stronger and we look for actual steps to be taken soon. A year ago our Vision Committee set \$60,000 as an annual goal for our Congregation to carry out a complete program. Let us note that during the first year we have advanced one-third the way in the required difference toward this objective. We are convinced that all the endeavors of a congregation grow together. We continue to pray and work that this may be true in the future at Emmaus.

During the year we had the following pastors serve us as guest speakers:

- Aug. 4 The Rev. C. M. Hanson, Executive Secretary of The Zion Society For Israel.
- Aug. 25 The Rev. Daniel Hansen, North Sacramento, California.
- Oct. 14 The Rev. Dayton Van Dueson, Chaplain at Winnebago State Hospital.
- Nov. 10 Dr. Myron Austinson, President of the Southern Wisconsin District.

Reports from various departments and organizations will indicate many more interesting details. Permit me to express a sincere thanks to all members of the Church Council and committees, the Sunday School and Vacation Church School teachers and workers, the organists, the choir directors and members of the choirs, office helpers and all of the other persons who helped maintain and improve the church's property. Among them is best known the satisfaction and joy which comes from the contributions of time and talents to the Lord's work. By these various and numerous volunteer services, the operational

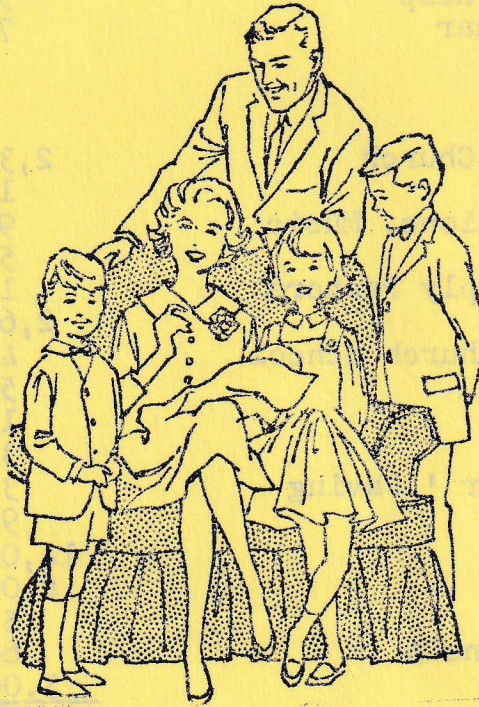

costs of our congregation are greatly reduced. The only services compensated for during the year were the Pastor's, janitor's, senior choir director, an organist and part-time parish secretary.

Last year we participated in an national church-wide emphasis on a theme "A People Claimed By God." This year, let us knowing we belong to God, strive to share the enthusiasm of "A People Sent By God." This study title portrays well the Evangelism thrust needed in our congregation. Let us allow the Holy Spirit to lead us into deeper study of God's Word and practice of Prayer. Let us be more diligent in reading information published by our church and participate more openly in Stewardship and Shepherding ventures.

Sincerely,

Thorvald Hansen

VISION COMMITTEE REPORT

Our current church program with its \$52,000.00 yearly (\$1000 weekly) budget allows for the very minimum church activity development. It seems all budgets are "minimum", but what we mean is--it is a "status quo" budget. This may not be bad in itself, but nothing else stays at the status quo. Membership is up--Sunday School attendance is up--building use is on the increase--higher electric and fuel bills--cost of repair and upkeep is higher. Not a single thing is at status quo except the giving in our church. We just cannot carry on much longer with the thought--"Keep it the same as last year".

Other than paying off on the building indebtedness, we have made little progress in other church programs and its activities. We must not stand still! We must move forward, or we will slide backward!

With this in mind, the Vision presented to the church represents a forward looking program. Not necessarily next year's program--but a program over the next five years or so.

Financially it is within reason. With a reasonable push to increase commitments from the total congregation in both time and possessions, it can be done without really hurting. Our goal, in order to accomplish the expanded program should be to increase our commitment from the \$52,000 yearly (\$1000 weekly) range to \$60,000 yearly (1154 weekly).

With the present membership, this is a target within reason. It represents 2.85% of the total estimated family income of our membership.

With a \$60,000 commitment goal attained, we can implement the Visionary program. It would require no extra "Fund" drives. We could still retire debts at the present rate. We could go immediately into a necessary educational wing building program on loaned funds and pay this off also.

The Church program as envisioned by your committee is one that could be accomplished if willed by the Congregation and with the help of God.

WE BELIEVE IT IS POSSIBLE!

Respectfully submitted,

Hans Jepsen, Chairman
Vision Committee

***Let us note that during the first year of the proposed Vision Program we have advanced one-third of the way in the required difference toward this objective.

DON'T BE A WEAK LINK !

SUNDAY SCHOOL REPORT

Our Sunday School is like a wheel with many spokes. As in all other activities in the congregation the hub of the wheel is the pastor. The many spokes are the teachers, office staff and members of the Board of Parish Education, the children and their parents. The superintendent might be considered as the nut that keeps the wheel together. In order that the wheel does not become flat on one side each spoke must be strong and remain strong at all times.

Our staff consists of 35 teachers and office staff, plus 6 substitute teachers. These men and women serve faithfully Sunday after Sunday. Some of our teachers have been serving for more than 25 years. Others who have served for just a short time have been very faithful. Being a Sunday School teacher is more than spending an hour with the children. It means much time spent in preparation of the lesson, expressing their concern for the children in prayer, and in making home visitations when necessary. Our congregation should recognize the work of our teachers by a word of encouragement when the opportunity presents itself.

There are 400 children enrolled. It is a joy to see them come each Sunday with their smiling faces and enthusiasm. Most of the children are regular in their attendance. However, there are too many who are not regular. Perhaps, we should reflect to see if the children are following in the footsteps of the adults who are not regular in their church attendance. The discipline of our children is very fine. However, there are bound to be some exceptions. We would encourage the parents to remind their children to help the teacher by being on their best behavior. We are looking forward to the day when we will have adequate space for our classes.

Financially the Sunday School is self-supporting. In fact more than that. The adult congregation received \$500.00 from the Sunday School to help pay the Mission quota of our church.

During the past year a new group, called "The Junior Lutherans" has been started. While this group is not a part of the S.S., it is for the children in the 4th, 5th and 6th grades. So far the average attendance has been about 23. The children of this age group should be encouraged to attend these activities, consisting of studying missionary heroes, doing interesting handwork, and participating in social activities. This group is being led by a few of our ladies.

Jesus said, "Let the children come to me and do not hinder them; for to such belongs the kingdom of heaven." We in the S.S. are happy for the opportunity to plant the Word in the hearts of boys and girls. We pray that the Holy Spirit will give the increase.

In order to continue serving effectively, the S.S. urgently needs additional space. We need more adults who are willing to serve as teachers; particularly do we need men teachers. We are in need of a song leader for the Opening Service. We look to the adult members of our congregation to fill these needs.

Respectfully submitted,

Peter Thomsen, Superintendent

DAILY VACATION CHURCH SCHOOL

Sessions were held August 12 thru 23, beginning at 9:00 a.m. and closing at 11:30 each day. 222 children were registered. Average daily attendance was 184. 125 received perfect attendance awards. Study material centered on "The Lord's Prayer".

Open House was held on Friday morning, August 23. During the VCS period children brought gifts which were placed on "Gift Trees" and after the program on Friday morning groups of children visited the Lincoln Lutheran Home, The Danish Old People's Home and the County Home and presented these trees to the residents of the homes.

CRADLE ROLL REPORT

"Train up a child in the way he should go, and when he is old he will not depart from it." Proverbs 22:6

This past year we have added 24 by baptism and 15 by transfer into our department when their parents joined our church. During the year, 42 became 4 years of age and 75% of these are enrolled in our Sunday School. We hope the rest will soon join them.

A number of 3 and 4 year olds are attending the 10:30 A.M. Nursery Class taught by Mrs. Charles Perce.

We've continued to put out our own Cradle Roll Messenger, but have also been introduced to samples of new nursery materials, namely:

1. Nursery News-14 miniature newspapers to be used on a quarterly basis from 6 months of pregnancy to 3 years old.
2. A birthday kit containing 4 folder type cards-one to be given as a welcome to the new infant and 3 birthday folders.
3. The First Three Years-a Christian baby book; available now (\$1.95)

ENMAUS LUTHERAN CHURCHWOMEN REPORT

The women had 4 General Meetings, with Mrs. William Atkinson, as Education Chairman, faithfully and diligently guiding the programs and the Circle Education Secretaries. Mrs. Fred Simonsen, Stewardship Chairman, directed the use of talents, time and treasures.

Circles met once a month and the Bible Study "So Live In Him" from Colossians was studied. From this study we pray many have found the joy renewed through Christ our Savior from sin, and abide in Him, grow in Him, and bear fruit in Him. Our study is guided through the monthly publication "Scope" and reviewed by Pastor Hansen with the Bible Study leaders.

Each woman of Emmaus is encouraged to participate in a circle. Each one can contribute something.--Present the study, serve, bake, telephone, visit the shut-in, prepare food, clean, polish, all the acts which go with good housekeeping, secretarial work and all of us can pray for our church leaders and our missions.

Our offering and treasure chests support our church missions and the work of the ALCW. We have a new interest--sponsoring the Junior Lutherans (an organization for 4,5,6 grades).

Election was held in September. Thanks to the out going officers--Mmes. Arthur Ott, Harold LaBlanc, William Atkinson and Hans Jepsen for their devoted and excellent service.

The officers have participated in workshops and conferences which have been helpful in understanding better the program of the ALCW.

"Empowered by the Spirit" is the 1964 study theme. The key verse is: "But you shall receive power when the Holy Spirit has come upon you and shall be my witnesses in Jerusalem, and in all Judea and Samaria and to the end of the earth." Acts 1:8.

Respectfully submitted,

Mrs. L. E. Durand, President of ELCW

Just after the beginning of the first Sunday of the new year, a young mother stopped in the church office for a moment and asked, "Does Mr. So and so, the financial secretary, of last year, still have his books open? We've just discovered that we 'short-changed' the church ten dollars on our intended pledge of last year and we wonder if he could take our offering of last Sunday (first Sunday in the new year) and put it into last year's account? We will make up last Sunday's offering in our contribution next Sunday."

This was a wonderful expression of loyalty and concern for our Lord's work. However, better yet was the witness of her parting remarks as she left the office, "Do you know that we, as a family, have discovered that unless we participate and contribute regularly, our church doesn't mean to us all that it really should?"

How about you, friend and member of Emmaus?
Does your church mean all that it should to you?

PROPOSED RULES FOR THE USE OF THE CHURCH BUILDING AND FACILITIES

We are happy and thankful that we now have achieved our fine new church building with all the facilities so complete and beautiful and because we wish to encourage the widest possible use of these facilities, the church council has enacted the following rules to help us "live" in our new church home.

1. Time and date of all events and meetings must be cleared through the church office and assignment of a definite time made.
2. Regularly scheduled meetings of organizations of our church normally hold priority of dates and time assigned to them; however, the church council with the pastor may pre-empt any regularly assigned period when in their judgment circumstances warrant it.
3. Our own church groups and organizations may have full use of our facilities to carry on their work, subject to the following restrictions:
 - A. Competent and approved operators must be provided to use slide and movie projectors.
 - B. Use of loud speaker and other electronic devices may be made only under the supervision of the regularly appointed individual.
 - C. Kitchen and serving facilities may be used with the understanding that all equipment is replaced in its proper place and that the stove, urn, refrigerator, etc., are completely cleaned.
 - D. Dishes, glassware, folding tables and the like may not be removed from the church premises.
4. No church property may be taken from the church unless the church council makes a special authorization to permit such action.
5. Smoking will be permitted in the wash rooms only.
6. The making of permanent changes on or in the church property is the sole prerogative of the council and trustees. This rule includes the moving of furniture into the building. Temporary decorations may be made, provided scotch tape, nails, or thumb tacks are not used to mar the walls.
7. Funerals.
 - A. The use of the Sanctuary for funerals of members is a privilege, freely offered.
 - B. In the absence of the Pastor, another Lutheran Clergyman shall officiate; arrangements being agreed to by President of the Church Council.
 - C. If the services of an organist is desired, it is customary to provide an honorarium. Organists other than the regular church organists must be approved by the Pastor.

Weddings.

- A. For use of the Sanctuary for weddings, an honorarium of \$10.00 will be encouraged to cover light, heat and cleaning. This includes the use of Fellowship Hall for the wedding reception.
- B. In the absence of the Pastor, another Lutheran Clergyman shall officiate; arrangement agreed to by the President of the Church Council.
- C. Time and date must be cleared through the church office.
- D. If the service of an organist is desired, it is customary to provide an honorarium. Organists other than the regular church organists must be approved by the Pastor.
- E. If serving at a reception in Fellowship Hall is done by an outside caterer, arrangements must be made with our "Women of the Church" for supervision of the kitchen facilities.

8. The Altar.

- A. The altar and altar fixtures and appointments are in charge of a suitably trained Altar Guild supervised by the Pastor.
- B. Altar vases, communion ware and altar fixtures may not be removed from the church.
- C. Cleaning, polishing and care of the altar in general is the responsibility of the Altar Guild.
- D. The giving of memorials to the Altar Flower Fund is to be encouraged. The altar committee will take care of the flowers.

9. Outside Groups.

It is our policy to make our Fellowship Hall available to outside groups and organizations of a Christian nature.

- A. A "use" fee - \$10.00 for light, heat and cleaning will be charged.
- B. When our ladies serve and are paid for serving a meal, the "use" fee is cancelled.
- C. When kitchen facilities are to be used by outside cooks or caterers, a representative of our kitchen committee must be present to supervise where things are kept and everything left clean and orderly.
- D. Permission for any outside group to meet in our facilities must be granted by the Trustees and the Council.

WE HAVE CONFIRMATION IN THE FALL BECAUSE --

1. Preparation for confirmation is not crushed into the season of Lent, Holy Week and Easter.
2. The fact that the summer period offers opportunity for personal interviews between the pastor and the confirmand.
3. Summer also offers individual confirmands the privilege of a consecrated review during VCS, which represents an added 40 hours of preparation for the two summer periods of Vacation Church School.
4. Fall confirmation psychologically relates itself to the thought of beginning the year's participation in the activities of the church rather than the idea of a "Graduation", which is so easily associated with the end of the school term.
5. Our confirmands have had a few more months in which to mature in their Christian thinking without the pressure of the busy school sessions and activities.

They were not His own.
